

SELECTED PUBLICATIONS

- Duncan, J.M., **Janke, E.A.**, Kozak, A.T., Roehrig, M., Russell, S.W., McFadden, H.G., Demott, A., Pictor, A., Hedeker, D., & Spring, B. (accepted). PDA+: A Personal Digital Assistant for obesity treatment - An RCT testing the use of technology to enhance weight loss treatment for Veterans. *BMC Public Health*.
- Janke, E.A.**, Weaver, F., & Spring, B. (in press). The effect of message framing on self-management of chronic pain: A new perspective on intervention? *Psychology & Health*.
- Silberbogen, A.K., Ulloa, E.W., **Janke, E.A.**, & Mori, D.L. (2009). Treating patients with hepatitis C: Relevant psychosocial issues and treatment recommendations. *Psychosomatics*, 50(2), 114-122.
- Janke, E.A.**, McGraw, S., Garcia-Tsao, G., & Fraenkel, L. (2008). Psychosocial issues in hepatitis C: A qualitative analysis. *Psychosomatics*, 49(6), 494-501.
- Weaver, F.M., LaVela, S.L., Miskevics, S., Clemmons, N., **Janke, E.A.**, & Spring, B. (2007). Smoking behavior and readiness to change in veterans with spinal cord injuries. *Rehabilitation Psychology*, 52(3), 304-310.
- Janke, E.A.**, Collins, A., & Kozak, A.T. (2007). An overview of the relationship between pain and obesity: What do we know? Where do we go next? *Journal of Rehabilitation Research & Development*, 44(2), 245-262.
- Janke, E.A.**, & Holroyd, K.A. (2007). Pericranial muscle tenderness is associated with widespread pain sensitivity, psychiatric comorbidity and dysfunctional psychological responses to pain in healthy young adult females. In R. Jensen, H-C Diener, & J. Olsen (Eds.), *Frontiers in Headache Research* (vol.15, pp. 108-113). New York: Oxford University Press.
- Silberbogen, A., **Janke, E.A.**, & Hebenstreit, C. (2007). A closer look at pain and hepatitis C: Preliminary data from a veteran population. *Journal of Rehabilitation Research & Development*, 44(2), 231-244.
- Heapy, A., Otis, J., Stein Marcus, K.S., Frantsve, L.M., **Janke, E.A.**, Shulman, M., Bellmore, W., & Kerns, R.D. (2005). Intersession coping skill practice mediates the relationship between readiness for self-management treatment and goal accomplishment. *Pain*, 118, 360-368.
- Silberbogen, A.K., **Janke, E.A.**, & Mori, D.L. (2005). *Healthy Choices for Veterans*. Companion handbook for the Hepatitis C Education & Support Group. Published through the Public Health Strategic Health Care Group, Department of Veterans Affairs.
- Janke, E.A.**, Holroyd, K.A., & Romanek, K. (2004). Depression increases onset of tension-type headache following laboratory stress. *Pain*, 111, 230-238.

SELECTED PRESENTATIONS, SYMPOSIA, WORKSHOPS, AND INVITED TALKS

- Janke, E.A.** (2010, April). Partnerships in the Service of Health: Promoting Wellness & Preventing Disease. In J. Ruane (Chair). Service-learning research at a health science university. Workshop conducted at the conference of Philadelphia Higher Education Network for Neighborhood Development (PHENND), Arcadia University, Glenside, PA.
- **Dondanville, K., & **Janke, E.A.** (2008, December). *Pain in older adults: Treatment barriers and strategies for clinical practice*. Paper presentation at the annual meeting of the Governor's Conference on Aging, Chicago, IL.

- Janke, E.A.** (2008, March). Obesity & Pain: Patient Experiences & Health Behavior Correlates. In J. Sellinger (Chair), *Co-morbid pain and obesity: Implications for treatment and research*. Symposium conducted at the annual meeting of the Society for Behavioral Medicine, San Diego, CA.
- Janke, E.A.** & **Bailey, K.C. (2008, March). *Message framing & pain self-management: New perspective on intervention?* Paper presentation at the annual meeting of the Society for Behavioral Medicine, San Diego, CA.
- Janke, E.A.** (2007, January). *Message-framing: New ideas about pain treatment*. Paper presentation sponsored by Robert H. Lurie Comprehensive Cancer Center and the Department of Preventive Medicine, Feinberg School of Medicine at Northwestern University, Chicago, IL.
- Janke, E.A.** (2007, January). *Chronic pain syndromes: A biopsychosocial perspective*. Invited speaker at "Medicine from a Biopsychosocial Perspective." Sponsored by the Northwestern Center for Functional Gastrointestinal and Motility Disorders and the American Psychosomatic Society, Chicago, IL.
- Janke, E.A.**, & Holroyd, K.A. (2002, June). *Psychophysiological mechanisms associated with vulnerability to tension-type headaches in depressed and non-depressed individuals*. Platform presentation at the annual meeting of the American Headache Society, Seattle, WA.

SELECTED POSTERS

- *Waldron, E.A., *Bechtel, C.F., **Janke, E.A.** (accepted for 2011 conference). Helping those who help the cancer patient: A focus on caregivers and their quality of life. Poster presentations scheduled for the annual meeting of the Society of Behavioral Medicine, Washington, DC.
- *Waldron, E.A., **Janke, E.A.** (2011, February). Improving the quality of life of adult cancer caregivers: A systematic review. Poster presentation at the annual meeting of the American Psychosocial Oncology Society, Anaheim, CA.
- **Salyer, K., Lofland, K. R., **Janke, E. A.**, Corsica, J. (2010, October). *Normative development of the Perceived Disability Scale*. Poster presentation at the annual meeting of the Midwest Pain Society, Chicago, IL.
- Spring, B., **Janke, E.A.**, Duncan, J.M., McFadden, H.G., Kozak, A.T., Russell, S. DeMott, A, Pictor, A., & Hedeker, D. (2010, October). Randomized controlled trial (RCT) of a Personal Digital Assistant (PDA) as adjunct to group obesity treatment for veterans. Poster presentation at the annual meeting of The Obesity Society, San Diego, CA.
- Janke, E.A.**, & Kozak, A.T. (2010, April). "The more pain I have, the more I want to eat": Impact of co-morbid pain and obesity on dietary behavior and physical activity. Poster presentation at the annual meeting of the Society of Behavioral Medicine, Seattle, WA.
- Janke, E.A.**, Weaver, F., Lavela, S., & Spring, B. (2010, April). *Quality of life and health risk behaviors among normal, overweight and obese adults with and without pain-related activity difficulty*. Poster presentation at the annual meeting of the Society of Behavioral Medicine, Seattle, WA.
- DeMott, A., Russel, S.W., Duncan, J., **Janke, E.A.**, & Spring, B. (2010, April). *Piloting an obesity expert system: Initiating change by initiating dialogue*. Poster presentation at the annual meeting of the Society of Behavioral Medicine, Seattle, WA.

Harris, K., & **Janke, E.A., & Joyce, C. (2010, April). *Obesity prevention for African-American adolescents: Understanding barriers & facilitators to adherence*. Poster presentation at the annual meeting of the *Society of Behavioral Medicine, Seattle, WA*.

Duncan, J.M., Spring, B., **Janke, E.A.**, Kozak, A.T., McFadden, H.G., & Vaughn, J. (2009, April). *PDA+ pilot study: A technological adjunct for a weight loss intervention with veterans*. Poster presentation at the annual meeting of the *Society of Behavioral Medicine, Montreal, Canada*.

Dondanville, K., & **Janke, E.A. (2009, April). *Quality of life and health behaviors in older adults with pain and depression*. Poster presentation at the annual meeting of the *Society of Behavioral Medicine, Montreal, Canada*.

Dondanville, K., & **Janke, E.A. (2009, May). *Health behaviors in older adults with pain and depression*. Poster presentation at the annual meeting of the *American Pain Society, San Diego, CA*.

Janke, E.A., & Holroyd, K.A. (2006, March). *Pericranial muscle tenderness is associated with widespread pain sensitivity, psychiatric comorbidity and dysfunctional psychological responses to pain in healthy young adult females*. Paper presentation at the 15th International Headache Research Seminar, Copenhagen, Denmark.

LaVela, S.L., Miskevics S., Spring B., Clemmons N., **Janke A.**, & Weaver F.M. (2006, February). *Smoking decisions and behaviors of individuals with spinal cord injuries and disorders*. Poster presentation at the *Health Service Research & Development National Meeting, Washington, DC*.

Janke, E.A., Holroyd, K.A., & Young, R. (2005, June). *Pericranial muscle tenderness is associated with widespread pain sensitivity, psychiatric comorbidity, and dysfunctional psychological responses to pain in healthy young adult females*. Poster presentation at the annual meeting of the *American Headache Society, Philadelphia, PA*.

Janke, E.A., Frantsve, L.M., Otis, J.D., Marcus, K.S., Heapy, A., Shulman, M., & Kerns, R.D. (2005, March). *Readiness to adopt a self-management approach and patient-provider interactions as predictors of pain treatment satisfaction*. Poster presentation at the annual meeting of the *American Pain Society, Boston, MA*.

Janke, E.A., & Holroyd, K.A. (2005, March). *Pericranial muscle tenderness (central sensitization), pain sensitivity & psychological characteristics in young adult females*. Poster presentation at the annual meeting of the *American Pain Society, Boston, MA*.

Heapy, A.A., Otis, J.D., Marcus, K.S., Frantsve, L.M., **Janke, E.A.**, Shulman, M., & Kerns, R.D. (2005, March). *Predictive validity of pain readiness to change and self-efficacy for adherence and goal accomplishment in pain treatment*. Poster presentation at the annual meeting of the *American Pain Society, Boston, MA*.

Romanek, K., Holroyd, K., Montalva, R., & **Janke, E.A.** (2003, June). *Headache, psychological and physiological characteristics in subgroups of tension-type headache*. Poster presentation at the annual meeting of the *American Headache Society, Chicago, IL*.

Janke, E. A., & Holroyd, K.A. (2001, June). *Depression increases vulnerability to tension-type headaches following stress in a laboratory paradigm*. Poster presentation at the annual meeting of the *International Headache Society, New York, NY*.
